ABSTRACT

A bill to provide for the creation of the National Fire Academy, and for other purposes is presented. The Act to be cited as the "National Fire Education and Training Act of 1972" will provide for and encourage training, education, and research and development in order to: (1) provide a working knowledge and an understanding of the current problems and difficulties, both administrative and operative, with respect to the fire services; (2) create an active interest among eligible individuals in the career of firefighting, and in related areas; (3) provide a program of continuing education for individuals seeking to further their skills and abilities in the areas of firefighting and the administration of fire protection organizations; and (4) explore with fire departments, and related agencies ways in which the National Bureau of Standards and its facilities, in general, and the National Fire Academy, in particular, can stimulate discussion, conferences, seminars, specialized courses, and research to best serve the needs of this country to provide effective fire prevention, fire protection, and fire suppression. Further discussion of the "academy" outlines the establishment, administration, nonprofit and nonpolitical nature, functions, and financing of the National Fire Academy. (LS)

S. 3479

IN THE SENATE OF THE UNITED STATES

APRIL 11, 1972

MR. MATILAS introduced the following bill; which was read twice and referred to the Committee on Commerce.

A BILL

To provide for the creation of the National Fire Academy,
and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

3. SHORT TITLE

4 SECTION 1. This Act may be cited as the "National Fire
5 Education and Training Act of 1972".

PURPOSE

7 SEC. 2. It is the purpose of this Act to provide for the
8 creation of a National Fire Academy in order to provide
9 for and encourage training, education, and research and de-
10 velopment in order to—

(1) provide a working knowledge and an under-

1 standing of the current problems and difficulties, both ad-
2 ministrative and operational, with respect to the fire
3 services;

4 (2) create an active interest among eligible indi-
5 viduals in the career of firefighting, and in related areas,
6 including the administration of fire protection organiza-
7 tions;

8 (3) provide a program of continuing education for
9 individuals seeking to further their skills and abilities
10 in the areas of firefighting and the administration of fire
11 protection organizations; and

12 (4) explore with fire departments, related agencies,
13 and professional firefighting organizations ways in which
14 the National Bureau of Standards and its facilities, in
15 general, and the National Fire Academy, in particular,
16 can stimulate discussion, conferences, seminars, special-
17 ized courses, and research to best serve the needs of this
18 country to provide effective fire prevention, fire protec-
19 tion, and fire suppression.

20 ESTABLISHMENT OF ACADEMY

21 Sec. 3. There is authorized to be established, for the pur-
22 poses described in section 2, an appropriate nonprofit, non-
23 governmental instrument to be known as the National Acad-
24 emy of Fire Prevention and Control (hereinafter referred to
25 as the "academy"), which shall not be an agency or estab-

1 lishment of the United States Government. The academy
2 shall be subject to the provisions of this Act and, to the
3 extent consistent with this Act, to a charter of the Congress
4 if such a charter is requested and issued or to the District of
5 Columbia Nonprofit Corporation Act if that is deemed
6 preferable.

7 ADMINISTRATION OF THE ACADEMY

8 SEC. 4. (a) The academy shall have a board of directors
9 (hereinafter referred to as the "board") consisting of fifteen
10 members, appointed initially by the President of the United
11 States, by and with the advice and consent of the Senate. The
12 President shall designate as chairman one of the fifteen
13 members of the board. The board shall be reasonably repre-
14 sentative of the various regions of the country, of the various
15 segments of the community including private industry and
16 labor, of all levels of government, of consumer interests, and
17 of the various types of experience which are appropriate to
18 the functions and responsibilities of the academy.

19 (b) The members of the initial board shall serve as in-
20 corporators and shall take whatever actions are necessary to
21 establish the academy as provided for under section 3 (a).

22 (c) The term of office of each member of the initial and
23 succeeding boards shall be three years; except that (1) any
24 member appointed to fill a vacancy occurring prior to the
25 expiration of the term for which his predecessor was ap-

1 pointed shall be appointed for the remainder of such term;
2 and (2) the terms of office of members first taking office
3 shall begin on the date of incorporation and shall expire, as
4 designated at the time of their appointment, one-third at the
5 end of three years, one-third at the end of four years, and
6 one-third at the end of five years. No member shall be eligi-
7 ble to serve in excess of three consecutive terms of three
8 years each. Notwithstanding the preceding provisions of this
9 subsection, a member whose term has expired may serve until
10 his successor has qualified.

11 (d) Any vacancy in the initial and succeeding boards
12 shall not affect its power, but shall be filled in the manner
13 provided for by the organizational rules and procedures of
14 the academy.

15 (e)(1) The members of the initial or succeeding boards
16 shall not, by reason of such membership, be deemed to be
17 employees of the United States Government. Except as pro-
18 vided in paragraph (2), members shall, while attending
19 meetings of the board or while engaged in duties related to
20 such meetings or in other activities of the board pursuant to
21 this Act, be entitled to receive compensation at the rate of
22 \$100 per day including traveltime.

23 (2) Members of the board who are full-time officers or
24 employees of the United States shall receive no additional
25 pay on account of their service on the board.

1 (3) While away from their homes or regular places of
2 business in the performance of services for the board, mem-
3 bers of the board shall be allowed travel expenses, including
4 per diem in lieu of subsistence, in the same manner as per-
5 sons employed intermittently in the Government service are
6 allowed expenses under section 5703 (b) of title 5 of the
7 United States Code.

8 (f) Eight members of the board shall constitute a
9 quorum.

10 (g) The board shall meet at the call of the chairman
11 or a majority of its members.

12 (h) The academy shall have a president and such
13 other executive officers and employees as may be appointed
14 by the board at rates of compensation fixed by the board.
15 No such executive officer or employee may receive any sal-
16 ary or other compensation from any source other than the
17 academy during the period of his employment by the acad-
18 emy.

19 NONPROFIT AND NONPOLITICAL NATURE OF THE ACADEMY

20 SEC. 5. (a) The academy shall have no power to issue
21 any share of stock, or to declare or pay any dividends.

22 (b) No part of the income or assets of the academy
23 shall inure to the benefit of any director, officer, employee,
24 or any other individual except as salary or reasonable
25 compensation for services.

1 (c) The academy shall not contribute to or otherwise
2 support any political party or candidate for elective public
3 office.

4 FUNCTIONS OF THE ACADEMY

5 SEC. 6. (a) The academy shall exercise its functions
6 and responsibilities in eight general areas relating to fire
7 education and training, as follows:

8 (1) recommended actions which can be taken by
9 Federal, State, and local government, and by private
10 individuals and organizations to improve and strengthen
11 fire protection, fire prevention, and fire suppression;

12 (2) promote and encourage eligible individuals to
13 pursue careers as administrators of fire service organi-
14 zations at all levels;

15 (3) develop a curriculum and carry out programs
16 of instructional assistance and special workshops, semi-
17 nars, conferences, and other such instructional devices
18 that are necessary for the purpose of introduction and
19 dissemination of information gained from investigation,
20 research, and development concerning the areas of fire
21 protection, fire prevention, and fire suppression;

22 (4) develop fire service extension programs to en-
23 courage and assist States, counties, and local communi-
24 ties to provide continuous training and operational
25 programs in firefighting techniques and procedures con-

1 cerning the utilization of firefighting equipment, fire
2 suppression, and other areas related to firefighting in
3 general;

4 (5) promote and assist universities, community
5 colleges, and other institutions of learning, in planning,
6 developing, strengthening, improving, and carrying out
7 programs and projects concerning fire administration;

8 (6) assist States, counties, and local communities
9 in the development and training programs for firemen;

10 (7) gather data and disseminate information to
11 States, counties, and local communities with respect to
12 firefighting equipment, firefighting techniques, fire serv-
13 ices administration, and other areas related to firefight-
14 ing; and to establish and maintain educational programs
15 for the purpose of informing the public of fire hazards
16 and fire safety techniques, and to encourage avoidance
17 of such hazards and use of such techniques; and

18 (8) establish a voluntary, uniform national testing
19 program for the purpose of enabling States, counties,
20 and local communities to evaluate the skills level of their
21 firefighters and fire administrators.

22 (b) The academy, in exercising its functions and re-
23 sponsibilities under subsection (a), shall give particular
24 attention to the development of methods for encouraging all
25 sectors of the economy to cooperate with the academy.

1 FINANCING OF THE ACADEMY'S ACTIVITIES

2 SEC. 7. (a) The academy is authorized to accept con-
3 tracts and grants from Federal, State, and local govern-
4 mental agencies and other entities, and grants and donations
5 from private organizations, institutions, and individuals.

6 (b) The academy may establish fees and other charges
7 for services provided by the academy.

8 (c) Amounts received by the academy under this sec-
9 tion shall be in addition to any amounts which may be
10 appropriated to it under section 8.

11 SEC. 8. There are authorized to be appropriated to the
12 academy such sums as may be necessary to carry out the
13 provisions of this Act.
